From The President

ou may notice that this issue is a month later than usual, but we felt the regular date would have been too soon after the last issue (late due to timing of 2007 reunion). We do plan to return to the usual publication dates starting with the November issue.

Our congratulations go out to Phil Howerton and Hilda Wells that got married in August! Sure we can get more details and pictures when we see them at the reunion next year unless they want to share before then.

We always have a few members drop out each year, but Emily and I are very happy to announce that this year was one of the

smallest groups to do so. However, included in that group was a lady that has been a member since the very beginning of ARA, Margaret Sanders. We don't know the situation and have had no feed back from our attempts to contact her. So if you know, please contact Emily or myself with the details.

The end of September is the cut off time for the membership roster publication. So if you have had any changes in your roster listing since the last issue, please contact Emily or myself so we can make sure our databases are correct before putting the roster together. That includes email addresses as well as other changes. You can look for your roster to arrive sometime in October.

2008 ITALIAN REUNION UPDATE

At this point the reunion is fully booked. If you are interested in attending, we can take a \$300 per person deposit, which would be held by ARA and refunded if spaces don't become available. Because we don't have anyone currently on the waiting lists, those who already have confirmed bookings that drop out will not have their payments refunded. So be sure and have travel insurance. The cruise still has cabins available, so contact Ben or Lynn if you would like to join the cruise bunch. Information in this issue.

Optional Day Trip to St. Moritz, Switzerland: (Must have minimum of 30 participants) – 100 to 110 Euros per person (10 Euros more per person with extra trip up cable car in St. Moritz. Can be decided on spot.) Bus will depart hotel at 8 am and travel to Poschiavo, Italy. Then we will take the famous Bernina Express from Poschiavo to Diavolezza. It is a very panoramic ride, with a guide, that will include the White Lake, Black Lake, division between the Adriatic and the Black Sea. From Diavolezza we travel by bus to St. Moritz where we will have lunch. Then we can either have free time to enjoy the area or travel up the cable

car. The return trip to the hotel will be by bus through the famous Maloya pass.

Itinerary:

August 30 – You must arrive at the Malpensa airport in Milan to be picked up by a Tours by Roberto bus to be taken to Lake Como. If you arrive on a prior day, you need to go back to the

Medding Bells

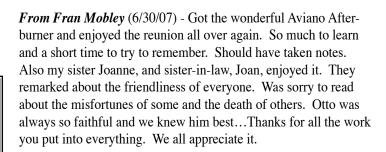

Dear Emily,

Hilda and I got married a week ago Wednesday, August 15. I have lost Nick's address. We will only need one copy of the Afterburner. Hilda's previous minister married us in Waynesville, near Lake Januluska, where he is retired. His wife, Julie was one witness and my daughter Mary Todd was the other. Her twins age 6 were the ring beaers and her eldest age 11 played the violin! They didn't know about the Wedding until that morning and all were excited. Love, Phil

Italians Calling - History Lesson

"After having dug to a depth of 10 meters last year, Scottish scientists found traces of copper wire dating back 100 years. and came to the conclusion that their ancestors had a telephone network over 100 years ago.

"Not to be outdone by the Scots, British scientists dug to a depth of 20 meters and found traces of 200-year-old copper wire, concluding that their ancestors had a high-tech communications network 100 years earlier."

"A short time later, after digging as deep as 30 meters in Palermo Sicily, Stefano, a self-taught archaeologist, reported that he found absolutely nothing, and therefore concluded that 300 years ago Italians were already using wireless."

Sunday Dinner for Italians

Italians have a \$40,000 kitchen, but use the \$259 stove from Sears in the basement to cook.

There is some sort of religious statue in the hallway, living room, bedroom, front porch and backyard.

The living room is filled with old wedding favors with poofy net bows and stale almonds (they are too pretty to open).

A portrait of the Pope and Frank Sinatra in the dining room. God forbid if anyone EVER attempted to eat Chef Boy-are-dee, Franco American, Ragu, Prego or anything else in a jar or can (tomato paste is the exception).

Meatballs are made with Pork, Veal and Beef. We are Italians, we don't care about cholesterol.

Turkey is served on Thanksgiving, AFTER the manicotti, gnocchi, lasagna and soup.

If anyone EVER says ES-CAROLE, slap 'em in the face -- it's SHCAROLE.

If they ever say ITALIAN WEDDING SOUP, let the idiot know that there is no wedding, nor is there an Italian in the soup. Also, the tiny meatballs must be made by hand.

No matter how hard you know you were going to get smacked, you still came home from church after communion, you stuck half a loaf of bread in the sauce pot, snuck out a fried meatball and chowed down you'll make up for it next week at confession. Sunday dinner was at 2:00. The meal went like this...

Table is set with everyday dishes...doesn't matter if they don't match...they're clean, What more do you want?

All the utensils go on the right side of the plate and the napkin goes on the left. Put a clean kitchen towel at Nonno & Papa's plate because they won't use napkins.

Homemade wine and bottles of 7up are on the table.

First course, Antipasto...change plates.

Next, Macaroni (Nonna called all pasta Macaroni)...change plates.

After that, Roasted Meats, Roasted Potatoes, Over-cooked Vegetables...change plates.

THEN and only then (NEVER AT THE BEGINNING OF THE MEAL) would you eat the salad (HOMEMADE OIL & VINEGAR DRESSING ONLY)...change plates.

Next, Fruit & Nuts - in the shell (on paper plates because you ran out of the other ones).

Coffee with Anisette (Espresso for Nonno, "Merican" coffee for the rest) with hard Cookies to dip in the coffee.

The kids go play...the men go to lay down. They slept so soundly you could perform brain surgery on them without anesthesia..the women clean the kitchen.

Getting screamed at by Mom or Nonna - half the sentence was English, the other half Italian.

Italian mothers never threw a baseball in their life, but can nail you in the head with a shoe thrown from the kitchen while you're in the living room.

Prom Dress that Zia Ceserina made you...\$20.00 for material. Prom hair-do from Cousin Angela...\$ Free. Turning around at prom to see your entire family (including Godparents) standing in the back of the gym... PRICELESS!

The true Italians will love this, those of you who are married to Italians will understand this, and those of you who are friends with Italians will remember and will forward it to their Italian friends

GOD BLESS AMERICA!

The Godfathers Lawyer

A Mafia Godfather finds out that his bookkeeper has cheated him out of ten million bucks.

His bookkeeper is deaf. That was the reason he got the job in the first place. It was assumed that a deaf bookkeeper would not hear anything that he might have to testify about in court. When the Godfather goes to confront the bookkeeper about his missing \$10 million, he brings along his attorney, who knows sign language.

The Godfather tells the lawyer, "Ask him where the 10 million bucks he embezzled from me is."

The attorney, using sign language, asks the bookkeeper where the money is.

The bookkeeper signs back: "I don't know what you are talking about."

The attorney tells the Godfather: "He says he doesn't know what you're talking about."

The Godfather pulls out a pistol, puts it to the bookkeeper's temple and says, "Ask him again!"

The attorney signs to the bookkeeper: "He'll kill you if you don't tell him!"

The bookkeeper signs back: "OK!

You win! The money is in a brown briefcase, buried behind the shed in my cousin Enzo's backyard in Queens!"

The Godfather asks the attorney: "Well, what'd he say?"

The attorney replies: "He says you don't have the balls to pull the trigger."

EARL FAIRCHILD, JR.

Earl Fairchild, Jr. died on August 22. Earl had been a member of ARA since the beginning and attended reunions frequently over the years. It was at the 2002 reunion in Italy where the members were introduced to Harriet, who was soon to become his wife. Both of them continued to attend reunions when possible and were at the most recent one in Williamsburg.

Earl and his first wife Gwen were stationed in Aviano from 1962 to 1965. He is survived by his wife, Harriet, four children, twelve grandchildren and two great grandchildren. We share their sorrow and send our sympathy.
